

DARREN*OCKERT

CELEBRITY DU JOUR

Celebrity du Jour is the first single to be released from **Darren Ockert's** forthcoming second studio album **Modern Day Living**. The music video for **Celebrity du Jour** was directed by **Edouard Nammour & Susan DePalma**.

Produced by Darren Ockert, featuring guitars by **Dan Warner** (**Madonna, Kelly Clarkson, P!nk**) and mixed by **J. Chris Griffin** (**Janet Jackson, Kanye West, Missy Elliot**).

Darren Ockert began his obsession with pop music when his parents bought him a synthesizer at a very young age. He was raised on a diet of Stock, Aitken and Waterman and BBC Radio One in the UK.

He wrote his 80s inspired debut album in an apartment in Queens NYC, which was nominated for an **OutMusic Award** in 2006 in the category "**Outstanding New Recording - Debut Male**".

What the critics said about Darren Ockert's last album:

"Polished to perfection performances." (Inside Out Magazine)

"Darren proves that Anything Is Possible with his impressive freshman release!" (Kweevak)

"Quite simply superb... beautiful music played to perfection." (GIITTV)

"Impossible to resist." (HX Magazine)

"Retro, done right... an irresistible bit of ear candy." (The Advocate)

Release Date: August 25, 2009
